

2022 Broker Awards

Andrea Dallas, Personal Lines Manager, **Stoneridge Insurance Brokers** accepted the award for achieving \$1 Million in Gross Written Premium (GWP).

Co-owners Scott Wagler and Steve Wagler, **Josslin Insurance Brokers** accepted the award for achieving \$2 Million in Gross Written Premium (GWP).

Patrick O'Neill, **NFP Insurance** accepted the award for achieving \$7 Million in Gross Written Premium (GWP).

Stoneridge Insurance Brokers has been in business since 1945 and just recently partnered with Edge Mutual through the purchase of Greensides & Breen Insurance. Greensides and Breen had been a partner with Edge since 1999. Through this purchase Edge Mutual & Stoneridge Insurance have forged a partnership that has seen good growth this past year. With their head office located in Ancaster, their network sees over 25 offices sprinkled throughout all parts of Ontario. They are proud sponsors of the Ancaster Heritage Days, Bennetto Elementary School Snack Program, The Ontario Junior Hockey League Foundation, and many others.

Our two-million-dollar award recipient is a well-known brokerage in our own K-W area, **Josslin Insurance Brokers**. Established in 1880 in New Hamburg, their most recent history of success can be attributed to the Wagler family who bought the brokerage in 1975. Since then, it has grown to include 5 other offices. Josslin is a community-oriented brokerage and is always an active participant in fundraisers and community events in the region. In addition to being an asset to their community, Josslin is also committed to providing their clients with trending insurance products and using technology to a greater extent in their communication strategy.

NFP joined Edge with the acquisitions of Mass Insurance and the former Secure/Henry brokerages. Henry Equestrian & Edge have been in partnership since the mid-80's. Doug Henry originally founded Henry Equestrian as an extension of his passion for riding, showing, jumping & caring for horses to provide Horse Insurance expertise for the equestrian industry. Secure Insurance has been with Edge since 2002 with the purchase of an existing broker; however, the brokerage origins date back decades further. With Edge, their offices serve the Grey-Bruce, Wellington, and Dufferin counties and surrounding areas, while the organizations overall reach is worldwide.
